

30 FACTS about Ellen White, the Trinity and the SDA Church. – by Geoff Lohrere

- 1. Ellen White never used the word Trinity or Triune God or the pagan three in one formula in any way whatsoever.**
- 2. She also never used the Catholic phrases God the Son or God the Holy Spirit used by Trinitarians.**
- 3. She used the term third person only to refer to the Spirit of Christ and hence is different to the Trinitarian meaning.**
- 4. Hence she never used the terms first person or second person since third person was non-Trinitarian to her.**
- 5. She states that God sent her from place to place to rebuke those who were teaching false doctrines.**
- 6. She never corrected her husband or the early pioneers for their anti-Trinitarian teaching.**
- 7. From 1844 God also had her correct those teaching false ideas about God but how can she do that if she is in error?**
- 8. In 1905, Ellen White wrote that God told her to reproduce the works of the pioneers that were anti-Trinitarian.**
- 9. The above points make sense because the non-Trinitarian view was God given and one of the Pillars of Faith.**
- 10. Ellen White corrected Kellogg not just for Pantheism but for teaching the trinity doctrine and the Holy Spirit as god.**
- 11. The world saw the Adventist Church and Ellen White as being non-Trinitarian two years before her death.**
- 12. The Church stopped printing their official stand of no Trinity in the Yearbook the year Mrs. White died.**
- 13. She never requested that her books be re-edited and the non-Trinitarian thoughts removed since they were truth.**
- 14. In 1905, Ellen White wrote that God never told her to change anything that she ever wrote since she was a girl.**
- 15. It is claimed Ellen White became a Trinitarian before 1895 but in 1905 she wrote that she never changed anything.**
- 16. It is claimed she was Trinitarian when she wrote the Desire of Ages and yet this book is full of non-Trinitarian quotes.**

- 17. After this she wrote that what was truth in the beginning was truth now and that new truths never contradicted the old.**
- 18. Well after the Desire of Ages she strongly promoted non-Trinitarian books to the world that Froom later had edited.**
- 19. The change and so called greater light originated from sources outside of the Seventh day Adventist Church.**
- 20. Adventist LeRoy Froom was seen working as a Catholic priest prior to entering the Church and is a suspected Jesuit.**
- 21. Froom deliberately set out to find anything that Ellen White wrote that could be wrongly interpreted as being Trinitarian.**
- 22. Froom had to search over 100,000 pages of Ellen White's writings to find a handful of misunderstood quotes.**
- 23. The quotes are misunderstood because most do not know that Ellen White says the Holy Spirit is the Spirit of Christ.**
- 24. Thus she teaches that the Comforter, Spirit of truth and the Spirit that Christ breathed on His disciples was His Spirit.**
- 25. Ellen White states that the “third person” in the “three great powers” and the “heavenly trio” is in fact the Spirit of Christ.**
- 26. So we also find that she called the Spirit of Christ a “person” which is where most of the confusion comes from.**
- 27. She calls His Spirit a person because His Spirit can function independently of Himself and so it is like it is another.**
- 28. Ellen White never told anyone she was a Trinitarian and so this was only wrongly assumed years after her death.**
- 29. The only Biblical support for the trinity doctrine was not from God but was added by our adversary to pervert the truth.**
- 30. Ellen White wrote non-Trinitarian statements all the way to her death and all you have to do is look and see!**
